- BRING IT ON -

THERE IS NO SUCH THING AS A DIFFICULT KNOT...

It's time to (im)prove yourself.
To take control back over your crafter's life.
Don't create new beginnings; create new endings.
Be (knit)wise and release the tension!
Try to imagine your best version possible...
and now leave every non-believing part behind.
Set inbetween craft goals and step it up.
Enjoy your journey and once achieved;
enjoy the destination even more.
Of course, not all days will be sunny.
But, it's up to you to make it a summer full of gladness or sadness.
And if there will be some knots along your way... No problem!
Don't rip your heart out. Rip out your stitches.
Frog it, fix it and reclaim your project.
Show some guts, because true liberty is creating what you love.

THE REST DEPENDS ON YOU - WOOLADDICTS.
